

2020 - Window Cleaning Review

“Let me start off by saying that Jeff, owner of Doulos Services, LLC is the kind of man that is very honest and humble, does a professional job and has gone well above & beyond for us. His customer service is amazing. Our residents are very pleased with him. We had been needing our community exterior windows washed for well over 3 years. Now, you can imagine how much dirt and bugs and whatever else had accumulated over time.

I contacted Jeff for an estimate, he came over and as soon as it was approved, he began the work. He went above & beyond with his work and we will be continuing our business with him. He was out there while it was already cold. He even put up our Christmas lights. I would recommend Doulos Services, LLC to anyone that would like to have a great experience with a wonderful business. I know that we have.

CHRISTMAS LIGHTING

Thank you [Jeff], for all you’ve done for our Community!”

Sincerely,

Chris R.

Building Services Director
