### Sliding Fee Discount Program Policy:

J.D. Health and Wellness Business Office Policies

Subject: Sliding Fee Discount Program

Effective Date: April 1, 2015

Policy: To make available discount services to those in need.

#### Purpose:

This program is designed to provide discounted care to those who have no means, or limited means, to pay for their medical services (Uninsured or underinsured). In addition to quality healthcare, patients are entitled to financial counseling by someone who can understand and offer possible solutions for those who cannot pay in full. The Patient Account Representative's role is that of patient advocate, that is, one who works with the patient and/or guarantor to find reasonable payment alternatives.

J.D. Health will offer a Sliding Fee Discount Program to all who are unable to pay for their services. J.D. Health and Wellness will base program eligibility on a person's ability to pay and will not discriminate on basis of age, gender, race, creed, disability or national origin. The Federal Poverty Guidelines, <http://aspe.hhs.gov/poverty>, are used in creating and annually updating the sliding fee schedule(SFS) to determine eligibility.

Procedure: The following guidelines are to be followed in providing the Sliding Fee Discount Program.

7. **Eligibility:** Discounts will be based on income and family size only. J.D. Health and Wellness uses the Census Bureau definitions of each.
  - a. Family is defined as: a group of two people or more(one of whom is the householder)related by birth, marriage, or adoption and residing together; all such people(including related subfamily members) are considered as members of one family.

Self-employed individuals will be required to submit detail of the most recent three months of income and expenses for the business. Adequate information must be made available to determine eligibility for the program. Self-declaration of income may only be used in special circumstances. Specific examples include participants who are homeless. Patients who are unable to provide written verification must provide a signed statement of income, and why he/she is unable to

provide independent verification. This statement will be presented to J.D. Health and Wellness Administrator for review and final determination as to the sliding fee percentage. Self-declared patients will be responsible for 100% of their charges until management determines the appropriate category.

9. Discounts: Those with incomes at or below 100% of poverty will receive a discount and will be charged based on J.D. Health and Wellness fee schedule. The sliding fee schedule will be updated during the first quarter of every calendar year with the latest federal poverty guidelines, <http://aspe.hhs.gov/poverty>.
10. Nominal fee: Patients receiving a full discount will be assessed a \$30.00 nominal charge per visit. However, patients will not be denied services due to inability to pay. The nominal fee is not a threshold for receiving care and thus, is not a minimum fee or co-payment.
11. Waiving of Charges: In certain situations, patients may not be able to pay the nominal or discount fee. Waiving of charges may only be used in special circumstances and must be approved by J.D. Health and Wellness administration. Any waiving of charges will be documented in the patients chart along with an explanation(e.g., ability to pay, good will, health promotion event).
12. Applicant notification: The Sliding Fee Discount Program determination will be provided to the applicant(s) in writing, and will include the percentage of Sliding Fee discount program write off, or, if applicable, the reason for denial. If the application is approved for less than a 100% discount or denied, the patient and/or responsible party must immediately establish payment arrangements with J.D. Health and Wellness Center. Sliding Fee Discount Program applications cover outstanding patient balances for six months prior to application date and any balances incurred within 12 months after the approved date, unless their financial situation changes significantly. The applicant has the option to reapply after the 12 months have expired or

anytime there has been a significant change in family income. When the applicant reapplies, the look back period will be lesser of six months or the expiration of their last Sliding Fee Discount Program application.

13. Refusal to Pay: If a patient verbally expresses an unwillingness to pay or vacates the premises without paying for services, the patient will be contacted in writing regarding their payment obligations. If the patient is not on the sliding fee schedule, a copy of the sliding fee discount program application will be sent with the notice. If the patient does not make effort to pay or fails to respond within 60 days, this constitutes refusal to pay. At this point in time, J.D. Health and Wellness can explore options not limited to, but including offering the patient a payment plan, waiving charges, or referring the individual to collection efforts.
14. Record keeping: Information related to Sliding Fee Discount Program decisions will be maintained and preserve in a centralized confidential file located in the Business Office Manager's Office, in an effort to preserve the dignity of those receiving free or discounted care.
  - a. Applicants that have been approved for the Sliding Fee Discount Program will be logged in a password protected file, noting names of applicants, dates of coverage and percentage of coverage.
  - b. The Business Office Manager will maintain an additional monthly log identifying Sliding Fee Discount Program recipients and dollar amounts. Denials will also be logged.
15. Policy and procedure review: Annually, the amount of Sliding Fee Discount Program provided will be reviewed by the Administrator. The SFS will be updated based on the current Federal Poverty Guidelines. Pertinent information comparing amount budgeted and actual community care provided shall serve as a guideline for future planning. This will also serve as a discussion base for reviewing possible changes in our policy and procedures and for examining institutional

practices which may serve as barriers preventing eligible patients from having access to our community care provisions.

16. Budget: During the annual budget process, an estimated amount of Sliding Fee Discount Program service will be placed into the budget as a deduction from revenue. Board approval for Sliding Fee Discount Program will be sought as an integral part of the annual budget.
